

CUPE 1699 – Member Update
October 6, 2025

SUBJECT LINE: Notice of Meeting

Hi,

There will be a membership meeting next week to provide a detailed update about where we are at with essential services and common site applications and share next steps to reach a deal. There will be an opportunity to ask any questions you have and ensure that everyone has the information needed to move forward together.

Meeting notice:

Date and Time: Wednesday, October 15, 7:00pm

In Person: [1505 Victoria Street, Prince George](#)

Virtual: Zoom link will be circulated in meeting reminder email

What members are saying:

“I am passionate about my position, the communities I serve and take great pride in my work, but we have been thoroughly understaffed for the last couple of years, and I want to be compensated fairly for the amount of work I do.”

“I am putting myself on the line for the rest of my career. I have many years left with the RD but only if employees are respected and appreciated.”

“Management treats us as obstacles, not as people. They are working against us, when we are supposed to be a team. They lack any empathy for their employees, and it shows in their attitude and treatment towards us.”

Your trust, patience, and support throughout this process are what keeps us going in this fight for a fair contract.

If you have any questions, don't hesitate to reach out.

In solidarity,

The CUPE 1699 Bargaining Team
